SUBMISSION GUIDELINES FOR SACRAMENTAL RECORDS

For additional information on the Sacrament of Communion, please visit sppfaithformation.com

As your child prepares to receive the next Sacrament in their faith journey it is necessary that proof of preceding Sacraments be obtained and filed.

Individuals preparing to receive their Communion must give proof of Baptism.

Instructions for obtaining and submitting acceptable forms of proof are as follows:

For those that were parishioners of Saints Peter and Paul at the time of the Baptism

Please fill out the attached form and scan and email back to me or mail into the office

Attn: Stephanie Panzariello

408 Hudson Street, Hoboken, NJ 07030

stephanie.panzariello@spphoboken.com

Once the attached information is received the parish registers will be checked to confirm the Baptism

For those that were Baptized outside of Saints Peter and Paul (including International)

Parents should reach out to the church of Baptism as soon as possible and obtain a new certificate, including notations. It should be signed by the Pastor, and contain the official church seal. The parish office of the church where the Sacrament was completed will know what you are talking about and will be able to guide you in obtaining a new certificate according to their guidelines. It takes some time for international certificates to be obtained, if you are requesting a certificate from a parish outside of the U.S. I encourage you to start this process immediately.

If you experience any difficulty obtaining your Sacramental Records, please contact the Parish Office immediately. We will accept a scanned/photo copy.

Form is DUE Friday, April 8, 2022

Your child will NOT be able to receive his or her Sacrament without proof Baptism.
